I HEREBY CERTIFY THAT THIS CORRESPONDENCE IS BEING DEPOSITED WITH THE UNITED STATES POSTAL SERVICE AS FIRST-CLASS MAIL IN AN ENVELOPE ADDRESSED TO: ASST. COMMISSIONER FOR PATENTS, WASHINGTON D.C. 20231 ON THIS 21 DAY OF Nov. 2001 BY: Carrie H. McPherson

Request for Reconsideration

With regard to the Final Office Action mailed September 14, 2001, enclosed please find a Supplemental Reissue Declaration and Power of Attorney. It is noted that the Serial number appearing at the top of the document should be 08/895,950 instead of 08/895,909. This was an obvious typographical error. Serial number 08/895,909 is related to a divisional application of the same reissue patent no. 5,276,208. The statements referred to in the supplemental declaration clearly apply to this application and are being submitted in respect to the final office action.

The only outstanding issue in the final office action is the submission of a supplemental declaration. In Serial Number 08/895,909 there was no outstanding issue of a supplemental Declaration being required. The applicants believe that this supplemental declaration obviates the rejection. For the above reasons, this application should be allowable.

If there are any additional fees due in connection with the filing of this response, including any fees required for an additional extension of time under 37 CFR 1.136, such an extension is requested and the Commissioner is authorized to charge or credit any overpayment to Deposit Account No. 03-2775.

A prompt and favorable action is solicited. The applicants believe that these claims are in condition for allowance, however, if the Examiner disagrees, the applicants respectfully request that the Examiner telephone the undersigned at (302) 888-6270.
